

"Blackwater Blues". This Southern-based drama follows the story of two off-beat Mississippi brothers who call themselves the BLACKWATER BOYS.

BLACKWATER BLUES

Now in their 40s and out of jail, the brothers receive a series of clues from their grandfather Pappy Bennington's estate that they believe will lead them to their mother's killer. As they investigate, they uncover criminal activities in the quiet town of BLACKWATER that draw the attention of the Biloxi Hannibals and their iron-fisted female leader. As they cross off each clue, the mystery deepens, revealing a web of missing money, stolen drugs, and CIA involvement on the highest levels. The question remains, who is really running the Gulfcoast underground?
